* There is, as regards the Cadorna M2 stop, a lift from the Cologno/Gessate platform to the mezzanine; the platform in the Abbiategrasso/Assago direction shares the Line 1 lift situated by the platform in the Sesto FS direction

** In order to gain access to the M2 Central platforms it is necessary to go through the M3

*** The stairlift links the mezzanine with the central platform

**** Mezzanine is at street level or linked by flights
